

Curriculum Vitae

Professor Denis Warwick King OAM

Name: Denis Warwick King

Address: c/o Sydney Colorectal Associates
Ground Floor, Hurstville Private Hospital
37 Gloucester Road
Hurstville NSW 2220

Awards: Medal of the Order of Australia in the General Division (2010)

Degrees: MB BS Sydney University 1966
FRACS 1970

Current Appointments: Visiting Medical Officer
Colorectal Unit
St George Hospital

Clinical Professor
Graduate School of Medicine
University of Wollongong

Clinical Associate Professor UNSW

Chair
Illawarra and Shoalhaven Local Health District Board

Chair
NSW Health Ministerial Advisory Committee

Member
Council
University of Wollongong

Previous Appointments:

1966	Intern, St. George Hospital
1967	Senior Resident Medical Officer St. George Hospital
1968	Demonstrator School of Anatomy University of Sydney
1969-1970	Surgical Registrar St. George Hospital
1971	Senior Surgical Registrar St. George Hospital
1972	Lecturer in Surgery University of Singapore Singapore General Hospital
1973	Surgical Registrar Royal Salop Infirmary Shrewsbury, Shropshire
1974	Commonwealth Registrar St. George's Hospital, London Clinical Assistant St. Mark's Hospital, London
1975	Research Fellow St. Mark's Hospital, London
1976	Clinical Superintendent St. George Hospital, Kogarah
1990-1995	Director Division of Surgery St George Hospital
2000-2003	Director Division of Critical Care and Surgery St George Hospital
2003-2005	Chair, Surgical Stream South East and Illawarra Health Service

2000-2008	Strategic Advisory Board John Curtin School of Medical Research (2000- 08)
2006-2009	Executive Clinical Director South Eastern Sydney & Illawarra Area Health Service
2007-2010	Chairman, Board, Continuum Health Care
2007-2010	Board of Directors St George Medical Research Foundation

Membership of Societies:

St. Mark's Association

Surgical Research Society of Australia

Sydney Colorectal Surgical Society (Foundation Member)

Colorectal Surgical Society of Australia (Foundation Member)

Journal Associations:

Member, Consultant Board, International Journal of Colorectal Disease

Reviewer Medical Journal of Australia

Reviewer Diseases of the Colon & Rectum

Committee Membership:

1986-88	President, Sydney Youth Orchestra Association
1988-89	Chairman, Medical Staff Council, St. George Hospital Chairman, St. George Hospital Planning Committee
1990 -	New South Wales Department of Health Oncology Advisory Committee
1991-92	Chairman, Cancer Centre Working Party, St. George Hospital
1992	Reid-Harris Committee
1994 -	Waiting List and Emergency Department Working Party, NSW Health
1995 - 96	Clinical Standards Group, Clinical Costing Project
1995 - 96	Member, Reference Group Member, Implementation Committee Member, Best Practice Group Waiting List Implementation Project, NSW Health
2004 – 2006	Member Surgical Services Task Force NSW Health

Health Management:

Director Special Projects (Clinical Services)(1994-96)
Southern Sydney Area Health Service

Director MA International - reviews conducted

- Clinical Management Structure Auckland General Hospital (1995)
- Feasibility study Indonesian National Referral Hospital (for AusHealth)(1996)
- Surgical Services Alfred Hospital, Melbourne (1997)
- Clinical Services Whyalla Hospital (for South Australian Dept Health) (1997)
- Surgical Services Geelong Hospital (1998)
- Clinical Services Albury Base Hospital (for Greater Murray Area Health Service) (1998-99)
- Clinical Services Mid-Western Area Health Service (1999)
- Surgical Services Richmond Valley (for Northern Rivers Area Health Service (1999)
- Broken Hill Hospital Clinical Services (for Far Western Area Health Service) (2000)
- ACT Surgical Services (for ACT Health) (2000)
- Review Clinical Services Peel AHS (WA) (2001)
- Review Operating Theatres Nepean Hospital (2001)
- Review Clinical Services Nepean Hospital (with M Gleeson) (2002)
- Review Clinical Services Lithgow Private Hospital (2002)
- Review Surgical Services Royal North Shore and Ryde Hospitals (2004)
- Development of Clinical Services Plan Northern Sydney and Central Coast AHS (2008)
- Review of Clinical Engagement in NSW Health Services – NSW Health (with A McCarroll) (2008)
- Review Perioperative Service Prince Charles Hospital, Brisbane(2008)
- Review Pain Management and Research Service – Royal North Shore Hospital (2009)

Presentations at Scientific Meetings/Abstracts:

1. Surgical Research Society of Australasia

Dunedin NZ, 19th September 1987

King D W, Lubowski D Z, Bruck C E. Do patients with haemorrhoids have pelvic floor denervation?

(Selected by SRSA for presentation at SRS UK meeting, Bristol, July 1987)

2. Sydney Colorectal Surgical Society Scientific Meeting

Orange, 19th March 1988

Lubowski D Z, King D W. What is the best way of measuring external anal sphincter function?

3. Sydney Colorectal Surgical Society Scientific Meeting

Orange, 19th March 1988

King D W, Lubowski D Z. The relation between utero-vaginal prolapse and pelvic floor denervation.

4 & 5. Royal Australian College of Surgeons, General Scientific Meeting

Brisbane, 4th May 1988

Lubowski D Z, King D W. Do patients with haemorrhoids have pelvic floor denervation?

Sigmoid strictures at colonoscopy - an indication for surgery.

King D W, Armstrong A, Lubowski D.

6. Royal Australasian College of Surgeons, General Scientific Meeting

Brisbane 4th May 1988

Sigmoid strictures at colonoscopy - an indication for surgery.

7 & 8. American Society of Colon and Rectal Surgeons Meeting

California, 14th June 1988

Lubowski D Z, King D W, Finlay I G. Failure of contraction of pubococcygeus muscle as a cause of obstructed defaecation.

King D W, Lubowski D L, Bruck C E. Do Patients With Haemorrhoids Have Pelvic Floor Denervation? (Poster presentation)

9. Surgical Research Society, Tripartite Meeting (UK SRS, European SRS, Society of University Surgeons),

Bristol, UK, 7th July 1988

Lubowski D Z, King D W, Bruck C E. Do patients with haemorrhoids have pelvic floor denervation?

10 Royal Australasian College of Surgeons, NSW State Committee ASM

Sydney, 17th September 1988

Beevors M, King D W. Appendicectomy audit.

11. Sydney Colorectal Surgical Society Annual Scientific Meeting
Sydney 12th November 1988
Staging - why bother?

12. Sydney Colorectal Surgical Society Scientific Meeting
Sydney, 4th February 1989
Colonoscopy - Changing indications.

13. Royal Australasian College of Surgeons Annual Scientific Meeting
Melbourne, 10th May 1989
Lubowski D Z, King D W. The pelvic floor in obstructed defaecation

14,15,16. American Society of Colon and Rectal Surgeons Annual Scientific Meeting
Toronto, Canada June 1989

King D W, Lubowski D Z. The relationship between utero-vaginal prolapse and pelvic floor denervation

Lubowski D Z, King D W, Cook T. Should the anal mucosa be removed in restorative proctocolectomy for ulcerative colitis (poster presentation)

Lubowski D Z, King D W. Colon transit in health and constipation assessed using oral I-131 (poster presentation)

17,18,19. Tripartite Meeting (RSM, ASCRS, RACS)
Birmingham, UK, 20th June 1989

Lubowski D Z, King D W, Cook T A. Should the anal mucosa be removed in restorative proctocolectomy for ulcerative colitis?

King D W, Lubowski D Z, McLean R, Bruck C E, Tallet N A. Colonic transit time determined by radionucleotide imaging in patients with constipation.

King D W, Lubowski D Z, Beevors M A, Carlton M A. Pelvic floor function in uterovaginal prolapse (poster presentation)

20. Royal Australasian College of Surgeons Annual Scientific Meeting
Sydney, 18th August 1990
Lubowski D Z, King D W, McLean R, Smart R, Gaston-Parry D. Colon transit in health and constipation - analysis of oral In-111 DTPA
Awarded State Committee Medal for Best Fellows Paper at ASM

21,22,23,24. Royal Australasian College of Surgeons General Scientific Meeting
Sydney, 9th May 1991

Lam T, Lubowski D Z, King D W. Posterior pelvic floor repair for obstructed defaecation.

Kooner R, King D W, Lubowski D Z. Faecal incontinence - Selection of patients and results of treatment.

Lam T, Lubowski D L, King D W. Does squatting reduce pelvic floor descent and pelvic nerve damage?

Morris D L, Dilley A V, Warlters A, Horton M, Clingan P, Tindal D, King D W. Hepatic Cryotherapy for Metastases - Greater Effect of Twin Freeze/Thaw Cycle

25. St. Mark's Association Meeting

London, 28th June 1991

Lubowski D Z, King D W, McLean R G, Smart R. Oral In-111 DTPA Scintigraphy: its value for routine clinical assessment of colon transit

26. Academy of Medicine, Silver Jubilee Meeting

Singapore, 9th November 1991

Lubowski D Z, King D W, McLean R G, Smart R, Gaston-Parry D. Oral In-111 DTPA Scintigraphy: its value for routine clinical assessment of colon transit in severe constipation

27. American Society of Colon and Rectal Surgeons

5th May 1993

Meagher AP, Adams WJ, Lubowski DZ, King DW

Autonomic nerves cross the plane of posterior rectal dissection
(poster presentation)

28. Sydney Colorectal Surgical Society Scientific Meeting

Sydney, 17th July 1993

Topical glyceryl trinitrate in the management of anal fissures.

29,30,31,32,33. Tripartite Colorectal Meeting

Sydney, 17-20th October 1993

King D, Adams W, Meagher A, Lubowski D.

Pretreatment with bisacodyl reduces the volume of polyethylene glycol solution required for bowel preparation.

Lubowski D, Meagher A, Sun W, King D.

A prospective trial of biofeedback vs placebo for the treatment of anismus

Lubowski D, Meagher A, King D, Smart R, Butler P.

A scintigraphic study of colonic function during defaecation.(poster presentation)

Adams W, Meagher A, Lubowski D, King D.

Autonomic nerves cross the plane of posterior rectal dissection.(poster presentation)

Lubowski D, Meagher A, King D.

Physiological measurement of external sphincter pressure: To squeeze or cough?

Lubowski D, Meagher A, King D. (poster presentation)

34. British Society of Gastroenterology Scientific Meeting

Manchester 23rd-24th March 1994

Adams W, King D, Lubowski, Morris DL.

Cimetidine prevents postoperative Suppression of Immune Function Following Colorectal Cancer Surgery

35,36,37 Royal Australasian College of Surgeons Annual Scientific Meeting

Hobart 1st-6th May 1994

Young C, King D, Lubowski D, Jorgensen J

Oral Sodium Phosphate Solution is a Superior Preparation to Polyethylene Glycol with Bisacodyl

Kennedy M, Lubowski D, King D

Glyceryl Trinitrate for Anal Fissure

Young C, Kennedy M, Lubowski D, King D

Post-anal Repair for faecal incontinence

38,39,40 Surgical Research Society of Australasia Annual Meeting

St Vincent's Clinic Sydney August 1994

Kennedy ML, Lubowski DZ, King DW

Chemical Sphincterotomy for Anal Fissure - a new treatment

King J, Dasappa VK, Ross WB, King DW, Clingan P, Morris DL

Survival of Patients with Synchronous Colectomy & Intrahepatic Chemotherapy

Stewart GJ, Preketes AP, Lubowski DZ, King DW, Morris DL

Colorectal Cancer Response to High Dose Sandostatin Therapy: A Clinical Trial

41 Sydney Colorectal Surgical Society

Thredbo, 12-14 August 1994

Chen FC, Kennedy ML, Lubowski DZ, King DW.

Subtotal Colectomy for Slow transit Constipation

42 Sixth National Casemix Conference, Commonwealth Dept of Human Services and Health

Hobart 31 August 1994

King DW, Kidd J, Stahel R

Clinical Budgeting - The St George Experience

43 Australian Gastroenterology Week (Gastroenterological Society Meeting)

Sydney September 1994

Young C, Kennedy ML, Lubowski DZ, King DW

Post-anal repair for Faecal Incontinence - long term results (poster)

- 44 ASM NSW State Committee, Royal Australasian College of Surgeons
Pokolbin 10/11 Sep 1994
Young C J, Jorgensen J O, King D W, Lubowski D Z
Oral Sodium Phosphate Solution is a superior Colonoscopy Preparation to Ployethylene Glycol with Bisacodyl
- 45 American Society of Colon and Rectal Surgeons, Washington, June 1996
Talley N A, Chen F, King D, Jones M, Talley N J
Short-Chain Fatty Acids in the Treatment of Radiation Proctitis
46. 3rd Australian peptide Conference – From Discovery to Therapeutics – Oct 1998
Burcher E, Warner FJ, Shang F, Markus I, Lubowski DZ, King DW
Characterisation and autoradiographic localization of tachkynin receptors in human colon
47. Western Pharmacol. Soc., Maui, USA, Feb 1999
Burcher E, Warner FJ, Shang F, Markus I, Liu L, Lubowski DZ, King DW
Tachykinins in human colon
- 48 American Gastroenterological Association Conference, Atlanta. May 2001
Dinning PG, Bampton PA, Andre J, Kennedy ML, Lubowski DZ, King D, Cook IJ
Constipation due to obstructed defaecation is likely to be a colonic rather than an anorectal disorder
- 49 Sydney Colorectal Surgical Society
St George Private Hospital 28Jul01
Preoperative CT: selection of patients for combined colon and liver resection or hepatic artery chemotherapy
50. GI Motility Symposium; Murdoch Children's Research Institute; Royal Children's Hospital, Melbourne. 20Apr02
Azriel Y, Grimm M. Lubowski D, King D, Burcher E
Neurotensin in idiopathic slow transit constipation
51. GI Motility Symposium; Murdoch Children's Research Institute; Royal Children's Hospital, Melbourne. 20Apr02
Burcher E, Shang F, liu L, Markus I, King D, Lubowski D
Mechanism of tachykinin induced contraction in the human colon
52. American Gastroenterological Association Conference, San Francisco. May 2002
Dinning PG, Bampton PA, Kennedy ML, Lubowski DZ, King D, Cook IJ
Heightened rectal sensory thresholds and blunted recto-colonic motor reflexes implicated in constipation due to obstructed defaecation
53. AHMR, Melbourne, Dec 2002
Azriel Y, Grimm M. Lubowski D, King D, Burcher E
Alterations in neurotensin receptors and responsiveness in slow transit constipation

54, 55, 56. Annual Scientific Congress, Royal Australasian College of Surgeons, Brisbane May 2003

Khoo OKS, Kadir A, Balalla B, King DW, Perera DS

Abdominal distension and post colonoscopy pain.

Schmidt LM, Williams P, Khoo OKS, King DW, Perera DS

Oral sodium picosulfate is a superior colonoscopy preparation compared to sodium phosphate

Fernando SC, Haghighi KS, Chu F, King J, King DW, Lubowski DZ, Zhao J, Morris DL

Synchronous approach to liver metastases from colorectal cancer: Longterm survival and indicators of prognosis after hepatic resection and chemotherapy

57. Australian Gynaecological Endoscopic Surgical Conference 17th May 2003

Thornton MJ, Lam A, King DW

Laparoscopic or transanal repair of rectocele? A retrospective matched cohort study.

58, 59. Australian Gastroenterological Society, Cairns 8th October 2003

Thornton MJ, Kennedy ML, Lubowski DZ, King DW

Validation of the high frequency wave form demonstrated in the hypertonic anal sphincter: The Fast Wave

Thornton MJ, King DW, Lubowski DZ, Cross KM, Glenn D

Assessment of the value of the pre-operative abdominal CT in colorectal cancer

60, 61, 62, 63. American Gastroenterological Society, Baltimore, USA, 13th October 10-15, 2003

Thornton MJ, Kennedy ML, Lubowski DZ, King DW

Validation of the high frequency wave form demonstrated in the hypertonic anal sphincter: The Fast Wave

Journal of Gastroenterology and Hepatology 2003; 18(suppl): A B44

Thornton MJ, Kennedy ML, Lubowski DZ, King DW

Long-term follow-up of the dynamic graciloplasty reconstruction for faecal incontinence.

Saafan AK, Thornton MJ, Gebiski V, Burcher E, Shang F, King DW

The prevalence of diverticular disease in patients with slow transit constipation.

Journal of Gastroenterology and Hepatology 2003; 18(suppl): A B42

Cosman D, Thornton MJ, Cross KM, King DW, Morris DL

Hepatic metastases from colorectal cancer: analysis of morbidity and mortality of synchronous treatment

64. Thornton MJ, Cross KM, King DW, Lubowski DZ, Morris DL

Assessment of the value of the preoperative abdominal CT in colorectal cancer

Journal of Gastroenterology and Hepatology 2003; 18(suppl): A B4

65, 66, 67. 19th International Symposium on Gastrointestinal Motility, Barcelona, Spain October 5-8, 2003

Burcher E, Shang F, King D, Lubowski D

Actions of tachykinin and acetylcholine in human taenia coli: changes in disease

Reduction in Neurotensin receptors and neurotensin mediated contractile responses in Slow Transit Constipation. (poster)

Azriel Y, Burcher E, Grimm M, Lubowski D, King D

The frequency of retrograde colonic propagating sequences may depend on colonic loading. (poster)

Dinning P, Cook I, Bampton P, Lubowski D, King D, Kennedy M.

68, 69. Australian College of Surgeons ASC, Melbourne, May 2004.

Thornton MJ, Kennedy ML, King DW, Lubowski DZ.

Long-term follow-up of the dynamic graciloplasty reconstruction for faecal incontinence.

Botulinum Toxin for chronic anal fissure: prospective manometric assessment of 60 patients.

Thornton MJ, Kennedy ML, King DW.

70, 71, 72. Association of Coloproctology of Britain and Ireland, Birmingham, UK, June 2004.

Thornton MJ, Kennedy ML, King DW.

Botulinum Toxin for chronic anal fissure: prospective manometric assessment of 60 patients.

Long-term follow-up of the dynamic graciloplasty reconstruction for faecal incontinence.

(poster)

Thornton MJ, Kennedy ML, King DW, Lubowski DZ.

Validation of the high frequency wave form demonstrated in the hypertonic internal anal sphincter: the Fast Wave. (poster)

Thornton MJ, Kennedy ML, King DW, Lubowski DZ.

73. American College of Colon and Rectal Surgery, Philadelphia, USA, April 2005.

Thornton MJ, Kennedy ML, King DW.

Botulinum Toxin for chronic anal fissure: prospective manometric assessment of 60 patients.

Invited Presentations:

1. Royal Prince Alfred Hospital, Surgical Guest Lecture.
Restorative Proctocolectomy
Sydney, 8th March 1988

2. Royal Australasian College of Surgeons CME Programme
Flinders Medical Centre, Adelaide, 26th March 1988
Colonoscopy - Normal landmarks; Demonstration

3. Royal Australasian College of Surgeons, Annual Scientific Meeting
Brisbane, 3rd May 1988
Pathophysiology of Obstructed Defaecation

4. Gastroenterological Society of Australia, Scientific Meeting
Newcastle, 7th October 1989
Surgical management of constipation.

5. Royal Australian College of Medical Administrators
Sydney, 1st November 1990
The Organisation of Health Services in the 1990's

6. Royal Australasian College of Surgeons General Scientific Meeting
Sydney, May 1991
Colonoscopy Workshop: Technique and Demonstration

7. Royal Australasian College of Surgeons CME Programme
Brisbane, 1991
Surgical management of rectal prolapse

8. Royal Australian College of Medical Administrators
Sydney, 28th May 1992
The Organisation of Health Services in the 1990's - A Clinical Divisional View

- 9,10. University of Wollongong Graduate School of Health and Medical Sciences
Sydney, June 1993
The Australian Health Care System: Policy and Politics
"Who Makes the rules"
"Professions in Transition"

11. Community Health Forum, Eastern Area Health Service
Sydney, 27th August 1993
Acute Health Homecare: Budgets and Cost Effectiveness

12. Clinical Budgeting Workshop
Policy and Planning Branch, Queensland Health
Brisbane, 16 Sep 94

13. Executive Education Seminars SSAHS 25Jul94
"Strategic Directions in Health Care"
14. National Programme of Management Development for Australian Clinicians
Melbourne 24-25Nov94
"Management is not Administration"
15. "Clinical Management"
Toowoomba Hospital
Toowoomba 13Feb95
16. "The Relevance of Costing and Clinical Budgeting to Clinicians"
"Economics of Health Care"
"Information Systems and Clinical Management"
Prince Charles Hospital, Brisbane, 25May95
17. "Best Practice - NDHP Perspective
NSW Health Best Practice Seminar
Sydney 07Aug95
18. "Motivating Doctors for Cultural Change"
AHA Congress 95
Adelaide, 27Oct95
19. "The Future of Large Teaching Hospitals"
Orientation Program for NSW Health Directors
Sydney, 16Aug96
20. "The Difficult Polyp"
RACS Section of Colorectal Surgery CME Conference/Sydney Colorectal Surgical Society
Sydney, 09Nov96
21. "Quality in Australian Health Care"
World Bank study tour
Sydney, Feb97
22. "Colonoscopic screening: how often is too often?"
ASM Sydney Colorectal Surgical Society
Sydney Nov99
23. "Screening tests for bowel cancer and investigaying bowel symptoms
NSW Cancer Council and St George Division of General Practice
28th August 2001
24. "Chronic constipation following pelvic surgery"
Pelvic Floor Symposium, Australian Gynaecological Endoscopy Society
14th September 2001

25. 'Screening tests for bowel cancer'

Prevention, Screening and Familial Aspects of Bowel Cancer

The Cancer Council, NSW

29th August 2001

26. "Synchronous treatment of primary and secondary colorectal cancer – The St George experience"

St George Liver Oncology Group

19th October 2003

27. "Recent advances in Colorectal Cancer"

Gujarat Cancer and Research Institute, Ahmedabad, India

31st May 2004

28. Screening colonoscopy- indications

Royal Australasian College of Surgeons CME Programme

September 2004
