

CURRICULUM VITAE

Francis Lam

MB BS PhD FRACS MCSSANZ

Colorectal Surgeon

Prince of Wales Public Hospital

Prince of Wales Private Hospital

Double Bay Day Hospital

Professional Development

2013	Conjoint Senior Lecturer University of New South Wales
2012	Member Colorectal Surgical Society of Australia and New Zealand
2008	Doctor of Philosophy The University of Sydney Thesis: "Differential Protein Expression in Colorectal Cancer"
2006-2007	Post-Fellowship Training in Colon and Rectal Surgery Colorectal Surgical Society of Australia and New Zealand
2005	Fellow in General Surgery Royal Australasian College of Surgeons
2003	Fellowship Examinations Royal Australasian College of Surgeons
1998	Primary Examinations Royal Australasian College of Surgeons
1996	Bachelor of Medicine, Bachelor of Surgery The University of Sydney

Scholarships and Awards

- 2018 Prince of Wales Clinical School Award
Recognizes outstanding contributions to the clinical school, not restricted to the undergraduate program, in teaching or research, over years of service.
- 2004-2006 Bowel Cancer Research Scholarship
Australian Rotary Health Research Fund
- 2005-2006 The Surgeon Scientist Scholarship
The Royal Australasian College of Surgeons
- 2006 TYCO Research Fellowship
Colorectal Surgical Society of Australia and New Zealand
- 2006 Clinical Research Fellowship
Cancer Institute NSW
- 2006 John Loewenthal Medal for Excellence in Research
Discipline of Surgery
The University of Sydney
- 2007 International Traveling Fellowship
The Association of Coloproctology of Great Britain and Ireland
- 2008 International Sabbatical Fellowship
Cancer Institute NSW
- 2008 Murray and Unity Pheils Fellowship
The Royal Australasian College of Surgeons
- 2008 Peter Bancroft Prize for Research Work
The University of Sydney

Royal Australasian College of Surgeons Activities

2009-20	Examiner RACS Advance Surgery Course Prince of Wales Hospital
2008	Marshall RACS Part II Examination in General Surgery Adelaide September 2008
2006	Examiner RACS Advance Surgery Course Concord Hospital June 2006
2005	Coordinator RACS Part I Clinical Examinations Sydney February 2005
2004	Chairman Registrars' Papers Day Sub-Committee NSW State Committee Royal Australasian College of Surgeons
2004	Trainee Representative NSW State Board in General Surgery Royal Australasian College of Surgeons
2004	Marshall RACS Part II Examination in General Surgery Sydney May 2004
2004	Coordinator RACS Part I Clinical Examinations Sydney February 2004
2002	Convenor Registrars' Papers Day Sub-Committee NSW State Committee Royal Australasian College of Surgeons

Previous Employment

2009-Current	Visiting Medical Officer in Colorectal Surgery Prince of Wales Public and Private Hospitals Randwick NSW
Feb-May 2008	Visiting International Fellow Minimal Access Surgery Training Centre Pamela Youde Nethersole Eastern Hospital Hong Kong
May-Dec 2008	Laparoscopic Colorectal Surgery Fellow Colorectal Surgery Unit The Queen Elizabeth Hospital South Australia
2007	Colorectal Surgery Fellow The Queen Elizabeth Hospital South Australia
2006	PhD Research Fellow Concord Colorectal Cancer Proteomic Laboratory Concord Hospital NSW
2004-2005	Clinical Superintendent in Surgery Concord Hospital NSW
2003	Provisional Fellow in General Surgery Colorectal Unit Concord Hospital General/Colorectal Unit Bankstown Hospital
2000-2002	Advanced Surgical Trainee in General Surgery
	2002 Colorectal Unit Royal North Shore Hospital Hornsby Hospital
	2001 Colorectal/General Surgery Lismore Base Hospital Vascular/General Surgery Lismore Base Hospital
	2000 General Surgery Gosford Hospital Vascular Surgery Royal North Shore Hospital
1999	Basic Surgical Trainee Royal North Shore Hospital NSW
1998	Resident Medical Officer Royal North Shore Hospital NSW
1997	Intern Royal North Shore Hospital NSW

Presentations

The Down Under view of an old foe: Proteomic analysis of colorectal cancer using two dimensional polyacrylamide gel electrophoresis (2D-PAGE).

Lam FF., Jankova L., Theodosopoulos G., Chan C., Lin B., Beale P., Chapuis PH., Bokey EL.

July 2007

Annual Scientific Meeting

The Association of Coloproctology of Great Britain and Ireland

Glasgow Scotland

A fresh face on an old foe: Proteomic profiling of colorectal cancer with two-dimensional polyacrylamide gel electrophoresis (2D-PAGE).

Lam FF., Chan C., Beale P., Chapuis PH., Bokey EL.

November 2006

Annual Scientific Meeting

John Loewenthal Society

The University of Sydney

A new perspective to the understanding of colorectal cancer with proteomic mapping by two dimensional polyacrylamide gel electrophoresis.

Lam FF., Theodosopoulos G., Chan C., Lin B., Beale P., Chapuis PH., Bokey EL.

May 2006

Annual Scientific Meeting

Surgical Research Society of Australasia

Sydney Australia

Proteomic study of colorectal cancer with two dimensional polyacrylamide gel electrophoresis: A new era in colorectal cancer staging

Lam FF., Theodosopoulos G., Chan C., Beale P., Chapuis P., Bokey EL.

July 2005

Tripartite Colorectal Meeting

Dublin Ireland

A new view of an old enemy: Proteomics and Colorectal Cancer.

Lam FF., Theodosopoulos G., Chan C., Rickard MJFX., Chapuis P., Bokey EL.

May 2004

Annual Scientific Congress

Royal Australasian College of Surgeons

Melbourne Australia

Sex hormone receptors and proliferative activity in liver cell adenoma.

Lam F., Titus J., Smith RC., Eckstein RP., De Silva K., Hugh TJ.

May 2000

4TH World Congress

International Hepatopancreatobiliary Association

Brisbane Australia

MRCP-The Royal North Shore Hospital quality assessment experience.

Lam F., Snodgrass D., Roche J., Smith R., Hugh T.

May 1999

Annual Scientific Congress

Royal Australasian College of Surgeons

Auckland New Zealand
